Error Corrected.

Through an error in reporting, the name of Miss Zella Stoddard was omitted from the story of the entertainment tendered the visiting Odd Fellows Monday evening by the Chickasha Canton. Miss Stoddard rendered a splendid reading at the entertainment and it was most highly appreciated by all.

Official Stenographer.

Miss Emma Meadows, one of the most accurate and swiftest stenographers of Chickasha, was chosen as "official stenographer" of the grand encampment of Oklahoma Odd Fellows, now in session in Chickasha. Miss Meadows will transcribe all the reports of the committees upon the minutes of the business meetings of the encampment for the three days which it has been in session here.

Jimmy Barry Coming Thursday.

Jimmy Barry, former sparring partner of Bob Fitzsimmons, the one-time champion heavyweight pugilist, has written Manager Ellsworth, of the Chickasha Athletic club, that he will be here, Johnny-on-the-spot, to meet Texas Tate in a ten-round bout on the evening of Thursday, May 25. Barry belongs to the hammer and tongs school of pugilism. He fights with a disregard of clinches, depending solely upon his guard to protect himself from his opponent's attacks. He is an aggressive as well as a defensive fighter and is reputed to own a slugging haymaker which has broken the guard and dismantled the scenery of more than one heavyweight's map.

TEACHERS SELECTED BY BOARD

The teachers' committee of the Chickasha board of education met yesterday afternoon with the board and took up the matter of the selection of the teachers for the ensuing year. Superintendent Ramey stated this morning that the list of teachers appointed was practically complete, but that a few places were to be filled yet and that within a short time the list of appointments would be complete and ready for publication.

L. F. Bailey was appointed principal of the West school. Paul R. Morrow was re-elected principal of the high school. The appointment of the principals of the South and North schools and of the Junior high school were passed for the present. There are three applications on file up to date for the position of principal of the Junior high school. In this matter the board is making haste slowly and will probably defer action pending further applications.

DESPAIRING WOMAN NOW HAPPY MOTHER

Mrs. Stephens Did Not Need The Surgical Operation.

Patoka, Ill.—"I had been married five years and my greatest desire was to become a mother. The doctor said I never would have a child unless I was operated on for female troubles and I had given up all hopes when a friend told me of Lydia E. Pinkham's Vegetable Compound. I took it regularly for some time, and I am

in better health than ever, and have a healthy baby girl. I praise your Vegetable Compound for my baby and my better health. I want all suffering women to know that it is the sure road to health and happiness."—Mrs. GEORGE STEPHENS, R. F. D. No. 3, Patoka, Ill.

Lydia E. Pinkham's Vegetable Compound is so successful in overcoming women's ills because it contains the tonic, strengthening properties of good old fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence.

It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration.

STOLEN HORSE FOUND.

Sheriff Bailey stated this afternoon that his office had received a phone message stating that the horse supposed to have been stolen from the premises of Ed Weaver, at Ninnekah, last night, had been found. Before receiving the message Sheriff Bailey had, however, phoned officers at Duncan, Pauls Valley, Mangum, Anadarko, El Reno and other places to look out for the horse and the supposed thief. Calls to Oklahoma City, Ardmore and Purcell were cancelled after the message stating the horse had been found was received.
